

"Picking up the Pieces"

*The pieces lay all on the ground,
left for another to carry around.*

*Just wisdom and learning
from a time long past,
waiting for someone to pick up the task.*

*The circle goes from beginning to end,
then we pick up the pieces and start again.*

*So who among you has the strength.
to prevent the circle from losing it's link?*

*In loving memory of
Grandmaster John A. Pachivas*
